EDUCATION

The Dalton School New York, NY

2006 - Present

Expected Graduation: 2019

I am currently a Junior at the Dalton School with a focus on STEM courses.

PSAT and PACT both 99th percentile

Unofficial GPA (not given by school): 3.72

EXPERIENCE

Girls Who Code IBM, NY

Summer 2017

A seven week intensive program sponsored by IBM and hosted at the Advanced Science Research Center at CUNY. We explored object oriented programming, basic robotics, and web development

P.S. Give- New York

December 2016 - Present

Co-founder of P.S. Give, a mobile application that allows donors to point and click, almost like a gift registry, to directly fund public schools through "wishlists" provided by PTAs in association with teachers to solicit micro-donations

Engineering Summer Academy at UPenn:

Computer Graphics, PA

Summer 2016

A five week intensive program, the challenge was to create 3D characters of our own design. The program utilized modeling software called Maya.

Final Grade: A-

Ski Butternut, MA

Winter 2015 - Present (20+ days each ski season)

As a ski instructor at Ski Butternut, I instruct children ages three to thirteen in the basics of skiing and snow safety. Similarly, I have instructed the Interclub Race Camp, as well as competed on the race team from winter 2012 to winter 2015
