AWARDS

25th High School Team in PICO CTF
Magna Cum Laude NLE (2016, 2015)
Cum Laude NLE (2014, 2017)

EDUCATION

The Dalton School, New York NY
Expected Graduation: 2019
I am a Junior at the Dalton School with focus on Physics and Computer Science: Math Physics

The International Culinary Center, New York NY- 50 hours
July - August 2016
I have completed 2 teen intensive programs both in traditional cooking and in pastry.

EXPERIENCE

Girls Who Code IBM, NY

July 2017- Present
A Seven week intensive program hosted at the ASRC building at CUNY. We explored object oriented programming, basic robotics, and web development.

P.S. Give- New York

December 2016 - Present
Co-founder of P.S. Give a mobile app currently in beta testing connecting Public School PTAs directly with donors cutting the cost of transaction fees and service charges

Engineering Summer Academy at UPenn: Computer Graphics, PA

A five week intensive program, the challenge was to create 3D characters of our own design. Here I learned to work with the modeling software called Maya.

Ski Butternut, MA

Winter 2015 - Present
Ski Instructor. At Ski Butternut, I instruct children ages three to thirteen in the basics of skiing and snow safety. Similarly, I have instructed the Interclub Race Camp, as well as competed on the race team from winter 2012 to winter 2015.

ACHIEVEMENTS

- 1st Place Slalom Nastar Nationals Skiing Competition
